

# 2024 STATE LEGISLATIVE AGENDA

We are the members of Firelands Workers Action/Acción de Trabajadores—working people coming together across race, work sector, and language to Rebuild Timber Country. We have a vision for our communities: one where all rural working people live in healthy and affordable homes; where all of us have access to healthcare, unemployment benefits, and a public safety net when times get tough; where there are abundant family-wage jobs in our communities caring for our people, lands, and waters. **We call on the legislature to deliver for rural working people during the 2024 legislative session. We must take urgent action to:**

**STABILIZE RENTS TO KEEP WORKERS, SENIORS, AND FAMILIES IN OUR HOMES (SB 5961 / HB 2114)**

**TAX THE EXTREME WEALTH OF BILLIONAIRES AND MEGA-MILLIONAIRES (SB 5486 / HB 1473)**

**FULLY FUND HEALTH INSURANCE ACCESS FOR WASHINGTONIANS REGARDLESS OF OUR IMMIGRATION STATUS**

**MAKE OUR UNEMPLOYMENT INSURANCE SYSTEM ACCESSIBLE TO ALL WORKERS (SB 5109 / HB 1095)**

**INCLUDE ALL WORKING FAMILIES IN ENERGY EFFICIENCY BY FUNDING ENERGY AMBASSADORS & COORDINATING WITH THE ENERGY NAVIGATOR BILL (HB 1391)**

**CLOSE THE CORPORATE GIFT CARD LOOPHOLE (SB 5988 / HB 2095) & PROTECT CONSUMERS (SB 5987 / HB 2094)**

**INVEST IN A VISION FOR HEALTHY HOUSING FOR ALL, INCLUDING A PUBLIC SECTOR PROGRAM OF 5,000 HEALTHY HOME REPAIR WORKERS**

**PROTECT WORKING FAMILIES IN RURAL SMALL TOWNS FROM HARMFUL POLLUTION WITH THE CURB ACT (HB 2070)**
